

# CLUB MEMBER SPOTLIGHT

Hello everyone! My name is Chris Publow, and I live in Frankfort, Michigan in the summer and Las Vegas in the winter.

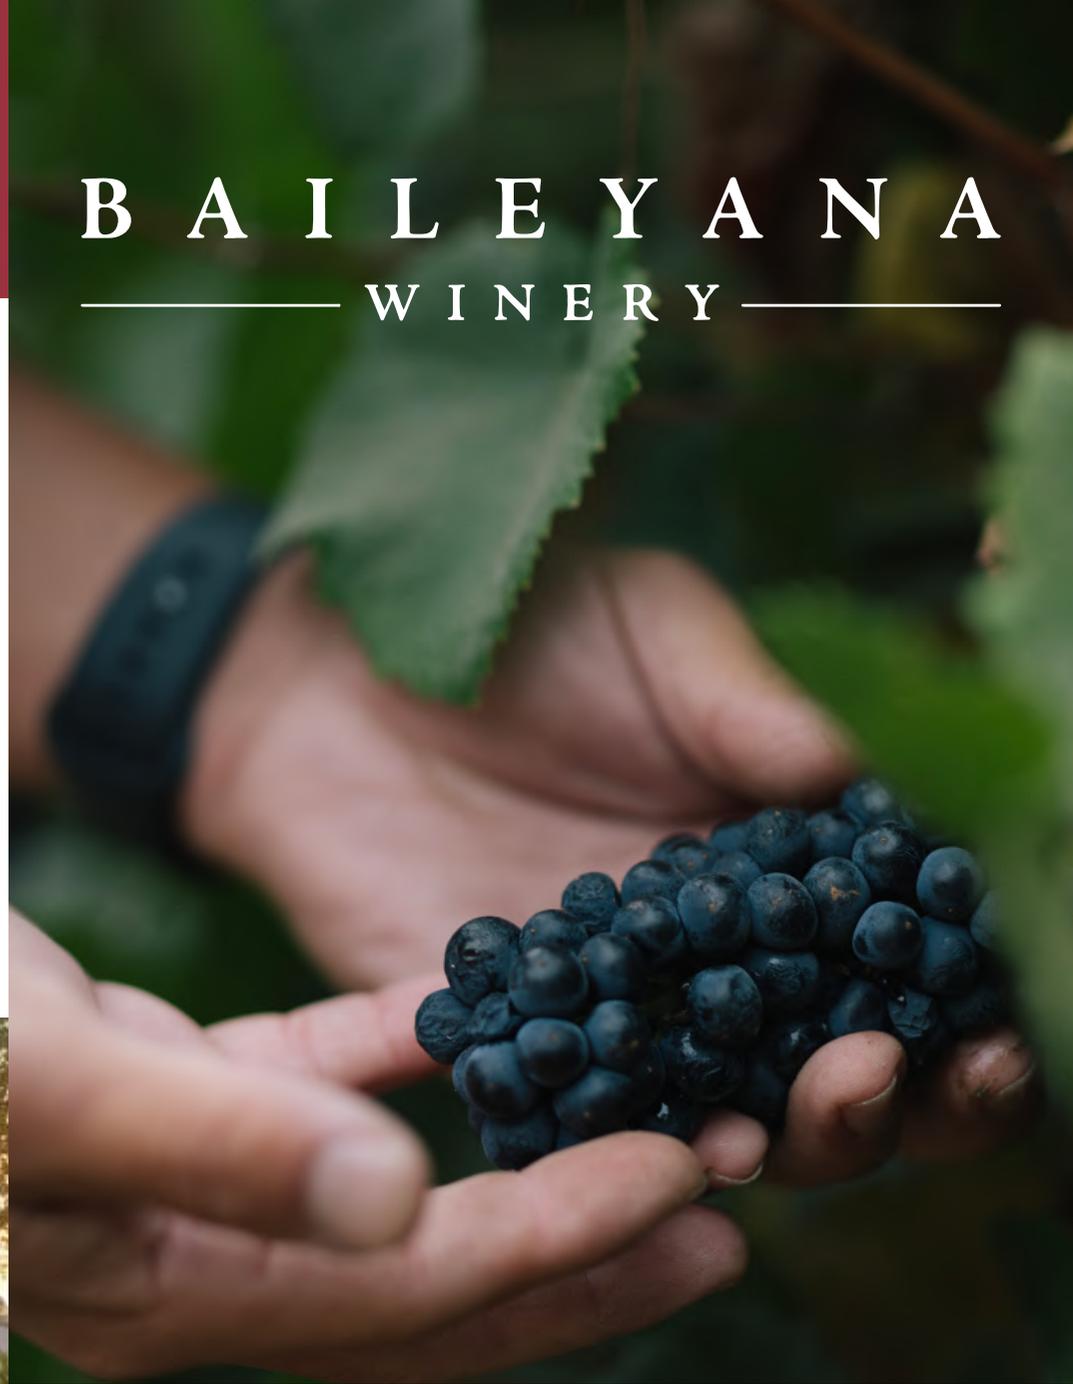

I joined the Baileyana Wine Club 13 years ago when a friend I was visiting in San Luis Obispo asked me to pick up his wine. It was my first taste of Baileyana. They say the best wines stay in California!

My tastes in wine over the years has drawn me to the wines of the Central Coast. I particularly like Rhone-style wines, but there was a gap in my cellar that was nicely filled by Baileyana. I love the "Architects" Pinot Noir – so many Pinots seem weak and thin, but this wine has tons of fruit and drinks very smooth even when young. My second favorite is the "La Entrada" Pinot Noir. Then, when I need a bigger, bolder red wine, I like the "S-BAR" Syrah or the True Myth "Mosaico."

I don't drink much white or rosé; however, I keep a selection of Baileyana and Tangent whites and they always delight my guests. And the Blanc de Blanc Sparkling was a showstopper at my granddaughter's wedding. Cheers!

### NOVEMBER 2021 WINE CLUB RELEASE

Happy Fall! Thanksgiving and the holidays are nearly upon us, and we are excited to pair our wines with the upcoming feasts. We suggest starting off any gathering with our Sparkling Brut Rosé which is perfect for toasting good food and even better company! If traditional roasted turkey is your go-to, we recommend the Architects or El Pico Pinot Noir. If you prefer white wine, the La Pristina or Musqué Chardonnay are an excellent choice. If you plan to prepare a beef dish, such as prime rib, our True Myth Reserve Cabernet or our S-BAR Syrah is sure to deliver a beautiful pairing. No matter what you choose this holiday season, sharing a glass with family and friends will feel extra special this year!

Cheers, The Baileyana Team
